

## Since its start in 1936, MTE has built a cooperative that looks at the needs of its members and evolves to serve those needs.

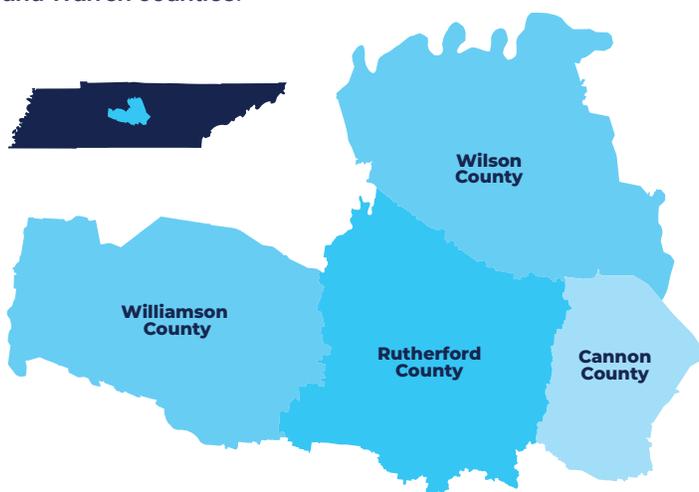

Today, MTE is the largest member-owned, not-for-profit electric cooperative in the state of Tennessee and the second largest in the country.

As an electric distributor, MTE is the largest co-op and third-largest purchaser of power in the TVA system.

MTE is a private corporation structured as a member-owned, not-for-profit, where members have democratic control.

MTE operates on its mission to provide affordable, reliable, safe electricity and outstanding member service.

MTE primarily serves Cannon, Rutherford, Williamson and Wilson counties. Based on various factors, the cooperative also serves parts of Bedford, Cheatham, Coffee, Davidson, DeKalb, Dickson, Hickman, Marshall, Maury, Smith, Trousdale and Warren counties.
